

# PROMOTOR MOTION

Promotor Motion, a first in our range to be totally portable when constructed. Modern round fronted design similar to Budget, Merit and Demo Center.

- Durable wheels with brakes, ideal for promotions where product needs to be moved around on a regular basis, making it very easy to move simply within a promotional area.
- Product fits into its tailor made carry bag ideal for transporting from one venue to another.
- Special rigid reinforced top available for added strength when required.
- Steel poles, headers available giving added branding.
- Spare parts available for each component, which are always stocked.
- High quality re-usable, easy to assemble, available in Black or White
